I work Saturday mornings.

Variations: Work, Working @_____, Available only after HH:MM

Congratulations on your new job. I completely understand that your full time job (and family) are higher priorities. Now how about blocking out Saturday mornings if you will continue to be unavailable on Saturday mornings.

I also understand that work requirements and travel can change. Please let us know ASAP if you must give back a game, and update your blocks!

It's my birthday and I have plans with my family

Well, we know you weren't born yesterday....but I am guessing you knew about your birthday a while ago.

I'm guessing that you also know about the plans. Please update your blocks after making plans.

Family Event / Reunion

Entertaining comments on declined games

Umpiring, Working for another association.

- Don't forget to update your blocks in Arbiter when you accept another assignment. (And update your blocks in their system when you accept games in Arbiter.)
- This is tough for multi-sport officials. Especially if you work 2 sports for PSI at the same time. e.g. Football & volleyball, volleyball & softball.

Entertaining comments on declined games

Not going to Salinas for Jr High.

I respect that. You are an independent contractor.

But don't expect to get a high school game on that date either.

Entertaining comments on declined games

Too Far.

Fair enough, especially with gas prices now. You are an independent contractor. Please set a mileage limit in Arbiter that you would be willing to travel.

Also realize this will limit the number of assignments you will get.

Entertaining comments on declined games

Delta IV Heavy Rocket launch Vandenberg Spaceport.

- Sounds fun, can I come along?

BTW, I didn't realize that they only schedule these launches 11 days ahead of time.

I thought those would be planned further out.

Best comments on declined games

I like to leave this date open for volleyball.

Not even sure how to respond to this. It wasn't a football game you just declined. It was a varsity volleyball match.

New Rules 2023-24

The state rules interpreter meeting is tomorrow night, so I'll try to present the slide show next meeting, but here is what I've found so far on the NFHS website:

Coaching Zone, Assistant Coach

Rule 2-1-9 was added to define the coaching zone as the area from the libero replacement zone to the area beyond the end line and the sideline extended.

In addition to head coaches utilizing the coaching zone, **Rule 12-2-5** was changed to allow one assistant coach to stand within the coaching zone during dead-ball situations. The assistant coach standing within the coaching zone may change throughout the match. All other assistant coaches must remain seated.

Jewelry

The wearing of jewelry by players is addressed in a change to **Rule 4-1-7**, which now states that all jewelry must be removed, except small, secured studs or posts worn above the chin.

No jewelry is permitted below the chin, including string bracelets, commemorative bracelets and body jewelry.

In addition, taping over jewelry is not permitted.

This rules change aligns high school rules with NCAA rules on the wearing of jewelry.

Uniform Numbers

Rule 4-2-4c:

Beginning July 1, 2023, the body of the number must clearly contrast from the body of the uniform regardless of trim.

Requesting a Substitution

10-2-1: Allows requests for substitution by the head coach to be signaled or verbalized.

Rationale: Creates consistency by allowing either a verbal or non-verbal signal for as substitution.

New Rules 2022-23

Hair

4-1-6: Allows hair adornments provided they are securely fastened and do not present a safety hazard while *eliminating* the length limitation of 2 inches for bobby pins, flat clips and flat barrettes.

Rationale: Creates inclusivity of hair styles while maintaining that the risk of injury to the athlete, teammates and opponents should not be compromised.

Shorts Waistband

4-2-1f: Eliminates the manufacturer logo/trademark/reference restrictions on the waistband **ONLY** of the uniform bottom.

Rationale: Allows for multiple and eliminates size restrictions of manufacturer logos/trademarks/references on the uniform waistband **ONLY**, minimizing issues related to illegal uniform bottoms.

No Horn for Wrong Server

5-6-3b, e; 5-7-3e: Eliminates the sounding of the audio device when an improper server or an illegal libero replacement is recognized by the official's table and establishes that the official scorer shall notify the second referee during the first dead ball.

Rationale: Allows the match to continue without interruption until the second referee is notified and can verify the improper server/illegal replacement during the next dead ball.

Identify Captain on Lineup

7-1-2c (NEW): Requires the head coach to indicate the playing captain with a “C” next to the player’s number on the lineup.

Rationale: Aligns language in the Case Book and Officials Manual that requires playing captains to be indicated on the lineup.

Time Out

11-2-1: Allows requests for time-outs by the head coach or playing captain to be signaled or verbalized.

Rationale: Establishes that both verbal and non-verbal signals for a time-out are permitted.

Assistant

12-2-5a: Adds that assistant coaches may stand during a dead ball situation and ask the second referee to verify the number of substitutions used by their team.

Rationale: Clarifies that assistant coaches may ask the second referee, during a dead-ball situation, for the number of time-outs and/or the number of substitutions used by their team.

2. By any legal teammate on the bench (excluding the libero or libero replacement), regardless of previous position played;
3. By a libero if no other possible substitute exists.
 - When no longer playing as a libero, that player must wear the same uniform as his/her teammates.

Ashen brings home 10th gold medal in volleyball

North Salinas boys' volleyball coach Bill Ashen won his 10th USA Open National volleyball gold medal in the 70-over division in Dallas.

Playing for more than a decade for King Mountain Fog, the middle blocker compiled a .250 hitting percentage, averaging two aces a match. The team, which has reconnected each year at the national event, went 9-0 in defeating teams from across the United States and Canada.

Ashen, who started the UC Irvine men's volleyball program before coming to North Salinas in 1992, also coaches the school's junior varsity girls' volleyball team. He will begin his 32nd season this fall coaching girls' and boys' volleyball.
